

Boys and Girls Club of Fort Saskatchewan Presents:

The 5 Love Languages

Danyelle Lynch, registered psychologist, will help you develop a better understanding of how adults and children express and experience love. Explore how your child's attachment style, temperament, and personality can be used to parent in an effective, supportive, loving, and fun way.

Tuesday
March 3, 2020
6:30pm — 8:00pm

10090 93ave Fort Saskatchewan

Presented by
Danyelle Lynch
Registered Psychologist

- Introduction to the Love Languages based on the work of Dr. Gary Chapman's book "The 5 Love Languages of Children"
- How you can use the languages to support your child's behaviour, emotional wellbeing, and strengthen your family.
- Increase your understanding of your child's love language and learn about the importance of play
- Discover creative ways to engage with your child that you can use in everyday interactions. Take away new ideas on how to support and show love to your child.

Reserve your spot for this no cost workshop by calling
Heather @ 780-992-0103 ext. 26 or email: ythfamilysupport2@fsbgc.ca

Child care provided. Please inquire at time of registration.
